

Twinkl and YPO provide entire Christmas 'wish-list' after school appeals to parents for supplies

Two educational organisations have come together to provide a 'wish-list' of supplies, after a primary school sent a letter to parents asking for help to buy them.

Liz Filer, Headteacher of Valentine Primary school, appealed for items such as pencils, dictionaries, crayons and chalk.

On hearing the story, the online educational resource publisher Twinkl immediately got in touch with its partners at YPO, which provides supplies to schools.

The two companies were able to order the entire list, which they will be sending to the school in the New Year.

This includes 200 glue sticks, 128 pairs of scissors, 1,000 lolly sticks and 76 packs of post-it notes.

Jonathan Seaton, Founder and CEO of Twinkl, said: "We're delighted that through our partnership with YPO we have been able to help Valentine Primary School. Everything we do at Twinkl is to help those who teach and we deliver Random Acts of Kindness' year-round to support schools, teachers and our customers when they are at a particular time of need."
