

## Twinkl Teach Events

---

Twinkl Educational Publishing are delighted to announce the success of their Twinkl Teach Events that have been running across England in 2016. Starting in Sheffield in June 2016, followed by events in Bradford, Leeds and Hull, Twinkl have been providing engaging and inspiring training events for teachers ranging from STEM events to well-being focused events and curriculum inspiration delivered by Keynote Speakers.

Twinkl Chief Customer Understanding Officer, Heather McAvan said: "It's an honour to be able to provide professional development events for teachers. The events take place after school and so teachers are attending voluntarily in their own time. The feedback has been incredible, and we're proud that we can provide this service to the teaching community."

These events have taken place at high profile venues such as The Deep in Hull, The National Media Museum in Bradford, and Leeds Thackray Museum, with many more to come across the UK.

Twinkl has also been running online webinars through its active Facebook groups, using the Facebook livestream tool. Presenters address teachers on a range of subjects and issues, from Guided Reading and SPaG to well being, stress relief ideas and much more. To find out more, please visit our [Twinkl Teach Events and CPD](#) page.

Events are free to attend and teachers receive free goodies from Pritt, Berol, Sharpie and Papermate as well as their very own Twinkl thermos mug.

Trusted by teaching communities worldwide, Twinkl Educational Publishing changes lives by providing instant access to a complete range of teacher-created, engaging and inspiring teaching, planning and assessment materials to support learning from birth.
